Dear Parents and Students,

Firstly I would like to thank the Staff and our P&F members for the outstanding effort leading up to and on the day of our Swap Meet. It was such a lovely day, the weather was perfect and it was great to see people stopping for a cuppa, sausage sizzle and a chat.

We had a least 100 people come through the gate, which is amazing in itself, and we raised over \$500! (That deserves an exclamation mark)

Please keep 20th October 2018 free because we will be having a Pre Harvest Swap Meet. Great time for the family to clear out unwanted treasures to make way for the new.

On Tuesday, we held our annual Water Fun Day. The children had a wonderful time, especially drenching the teachers. A bit more sun would have been nice though!

Miss Reeve and I attended a Literacy PD in Perth yesterday which was very beneficial. As a school we are working hard to develop strategies that will improve the teaching and learning of Reading Comprehension and Writing skills in our school.

Today we remembered Joel Guerini by releasing 100 orange balloons and Bec brought in ice creams for all. Joel was a much loved member of our school community and is missed every day. Please keep Jason, Bec and Angelo in your prayers.

We would like to welcome our new Pre Kindy students, Liam and Matthew, to our school, and welcome their families to our school community.

Finally, I would like to thank all our families for a fabulous First Term. It is such an honour to be a part of St Joseph's School Community. Have a wonderful break, spending time with families and friends and loved ones.

Warmest regards

Rika Andres - Principal

Classroom News

(Miss Roose)

In Pre-Kindy this term we have been looking at colours. On Monday, the last day of Pre-Kindy for Term 1, we looked at rainbows! We did this with skittles. First we had to arrange our skittles in a circle in our bowls, and then we poured some water in the bowls and watched the colours come out of the skittles. At recess we got to eat some skittles because we did such a good job! We also welcomed 2 new friends to our class, Liam and Matthew.

Our theme in Kindy/Pre-Primary this term was 'all about me' and we have had so much fun getting to know more about ourselves and each other through the home corner and look forward to next term when our theme will be ocean! We would like to take this opportunity to ask for any sea creatures or ocean themed objects you might like to donate to our classroom for next term. Thank you.

Tennis Coaching Sessions

During the last four weeks of Term, our students have been lucky enough to enjoy some tennis coaching sessions. A huge thank you to Lib Irving who has been passing on her tennis expertise to our students. The students learnt so much from Lib and thoroughly enjoyed each coaching session.

Core Values ~ We are honest and courageous ~ We challenge, motivate and encourage everyone to reach their potential

Water Fun Day

On Tuesday, our staff and students had a great time enjoying water activities for our Water Fun Day. Although it was a little bit cold, the kids had a great time. A bit of fun to finish of Term One.

TERM TWO 2018 ALTAR SERVING ROSTER

Altar Serving dates for Term Two will be advised as soon as possible.

If you are Altar Serving, please be at Church 10 minutes prior to Mass commencing. Thank you.

Quote for the End of Term

Aim high in work and life.

Become the very best you that you were meant to be.

Defy discouragement, stay true to your dreams. Look the world straight in the eye.

Make a difference in the lives of others.

Laugh often and love much.

Above, all celebrate every step of the way – not just the great achievements but the great attempts.

Prayer of the Week

Dear God,

Bless me with:

Ears that can hear your voice,

A mind that understands your direction,

Eyes that see your vision,

Hands that will do your work,

A mouth that will speak your word,

Arms that will reach out and help,

And feet that will walk by faith.

Amen.
