Dear Parents and Students,

We had a lovely Autumn Day to celebrate Mother's Day last Friday and we shared a scrumptious morning tea supplied by the staff. I'm sure you will agree that the children made some beautiful gifts for their Mums. I hope all Mums had a lovely day and were spoilt rotten.

Last week on Wednesday, two visitors from CEWA conducted a School audit and Early Years Learning audit. Overall it was a successful visit with many positive comments given as well as receiving some valuable feedback. Congratulations to all of our staff.

On Thursday we had another one of our Cook in a Box afternoons which was once again very successful. The children made Moroccan spice cous cous and I have to say parents, if you haven't made it before for your children, it was generally well liked by all. This is a fun way to mix in a bit of maths whilst the students measure out their different ingredients. Next week scrolls are on the menu.

This week is NAPLAN Week which involves our Year Three and Five children. Students have completed a Writing, Language and Conventions, Reading and Numeracy test. This year students have conducted the tests online, other than the Year Three Writing component. Results will be available later in the year.

Next week I will be away for three days out of the five. On Monday and Tuesday I will be in Kalgoorlie for GEMS which is our Principal Network meeting and on Friday I will be in Perth for our Principal Members Day which is attended by all Principals in Western Australia. As usual, I am always reachable if you need to contact me. Please phone the office or contact me via email.

Have a great week.

Warmest regards

Rika Andres - Principal

THANK YOU

St Joseph's School would like to thank the Shire of Yilgarn for funding received via the Community Funding Program. Our P&F Association applied for funding to purchase garden tools and equipment as well as equipment for the early childhood area. All of the equipment purchased will be used to improve the grounds of the school.

Thank you again, the support to our School is greatly appreciated.

COOK IN A BOX

During Term Two, all St Joseph's students have been involved in doing some cooking via the Cook in a Box program. Cook In A Box is a way for primary schools to provide children with basic cookery skills enabling them to make healthy food choices for life! All ingredients are provided to the school in a box.

Classroom News

Years 3-5
(Mr Harding)

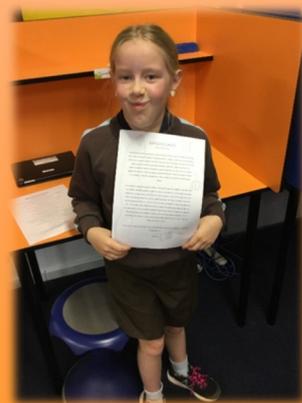

This Term in the Year 3 – 5 classroom, we have been doing a lot of preparation for our NAPLAN testing.

We have spent a lot of time practising our OREO (Opinion, Reason, Explanation, Opinion) writing, on topics like teachers should be paid more, cats vs dogs and city vs country.

In Maths we will be looking at some different 3D shapes. We have used this to help us build a mini golf course.

In Art we have been looking at cartoonists like Dr Seuss and will be looking at Pop Artists like Andy Warhol.

Check out some of things we have been doing in class below.

Mother's Day Morning Tea

On Friday, 11th May, St Joseph's School invited all Mums and Grandmothers of students to a Mother's Day Morning Tea. We had a lovely morning, which also included the Merit Assembly for Week 2. Thank you to everyone who was able to come along and also thank you to our staff who provided the yummy morning tea.

On Thursday 10th May, the Year 1-2 classroom pampered their Mum's by doing their nails, giving them a massage, decorated cupcakes and they also did some painting activities together. Well done to all of the students, Miss Reeve and Mrs Pedrin - it was a great morning for the Mums.

Liturgy Corner

Spiritual Reflection -

Keep me safe, O God; you are my hope

It is said that we should bloom where we are planted. Which means that we build the kingdom first in our hearts then in those among whom we live. We can do this by prayer. The psalmist says: 'You give power and strength to your people', and so peace and love of the kingdom will be spread near and far.

A Prayer for Rain

O, God, the earth is thirsty for rain and we wait for you to refresh the land all its creatures, the rivers and lakes, the crops and gardens.

Send abundant rain, we pray,
and teach us to be better stewards of all the blessings you provide,
through Christ our Lord.

Amen
