

St Joseph Catholic Primary School Southern Cross
Annual General Community Meeting
15th of November 2018
PRESIDENT'S REPORT

I would just like to start off by thanking this year's amazing committee. Donna, Lorrae and Shea. Without you girls the P&F could not have had such a successful year. A huge thank you to Jenna for all your hard work in the uniform shop. Thank you to all the parents who stepped up whenever the school needed your help this year. To the teaching staff. Thank you all for your hard work and dedication to our P&F and our children this year. Without all your support the P&F would not have ran so smoothly. A huge thank you to Rika who has helped me out so much this year.

The P&F have had an amazing year this year.

We have had a very successful year of fundraising with the two successful Swap meets. These two events helped raise awareness to our fabulous school and helped us raise funds. The two swap meet days raised a total of \$1475.42 with the hope of making swap meets a regular event for our school.

We received a grant from the Yilgarn shire which we put towards some new power tools for the teaching staff and new gardening gear for our gardener.

Saint fire has presented us with two donations this year with a total of \$800.00. Thank you Brian and your team for continually supporting our school.

The P&F also ran a Mothers and Father's Day Stall. This idea was not created to raise money but to give our children the opportunity to buy gifts for their parents. The P&F raised \$15.02 however out of the stalls.

Bringing our grand total money raised this year to a whopping \$2290.44.

Our fundraising efforts have seen that our children have received money to go towards the performing arts camp. Our children love going to Perth for the week and enjoying various activities. This is where I would like to thank Lauren for all your hard work and dedication to provide our children with such a great experience.

The P&F have also purchased a new parent tent for sport carnival days as our old one was falling apart. Now all our parents and grandparents can sit out off the weather and enjoy watching their kids.

The P&F also donated money towards the plants for the early childhood area.

Thank you all again for supporting me as your P&F President. I've had a fantastic year as President and wish the new committee for 2018 an amazing year.
