## Dear Parents and Guardians,

Welcome to Week 5.

Yesterday we had a very moving Remembrance Day service at school to remember all those who have fought in or been affected by war. A big thank you to every one who attended and special thanks to Mrs McGoldrick for organizing the service and to the students who participated.

This week is Naidoc Week. Naidoc Week was unfortunately postponed nationally because of COVID-19. We participated in class Naidoc Week activities on Monday afternoon and today we joined the other schools and had lots of fun at our Naidoc Day activity day. Students participated in Indigenous Sports, Dance and Drama, Team building and Reconciliation, a Literacy activity and an art project. All of the students had a fantastic day.

Always Was,  
Always Will Be.  
8-15 NOV 2020

Next week is National Recycling Week. We are having a fun recycling activity afternoon on Monday afternoon to highlight the importance of recycling. St Joseph's already have a number of recycling activities happening around the school – Containers for Cash, ring pulls, plastic bottle tops, food recycling for our worms and recycling our paper. Every little bit helps.

Kindy Orientation is on Tuesday and we can't wait for our Kindy 2021 children to join our class. Miss Coles has planned a fantastic morning for all of the students and Kindy 2021 parents are welcome to join us for morning tea at 11am.

All parents are invited to our AGM on Thursday 26<sup>th</sup> November at 5.30pm. The School Advisory Council will begin with the school AGM, followed by the Parents and Friends. Light refreshments will be served following both meetings. We are still looking for parents to join our Parents and Friends group and our School Advisory Council. Please contact me if you would like more information.

I am attending the Beginning Principals program in Perth next week and will be away from school from the 18<sup>th</sup> – 20<sup>th</sup> November. Please contact the office or direct any inquiries to Mrs McGoldrick.

We have been advised that our power will be out all day tomorrow (Friday 13<sup>th</sup> November) as Western Power carry out some work in the area. Please pack lunch for your child as we will not be able to use the pie warmer. If you need to speak to anyone at school, please call in to the office in person, as our phones will not be operational if we have no power.

Have a wonderful weekend

Mel Allen  
Principal

What a busy term , Term Four has been. We have been busy celebrating many special days including sports carnival, Naidoc Week, Melbourne Cup Day and Remembrance Day. This term has being filled with revision and testing to see how much progress we have made through out the term. It has been fantastic to see the growth. We look forward to the next few weeks when we start our Christmas Preparation.

### Containers for Change

Did you know Containers for Change recycling program is coming to WA on 1 Oct?

Did you also know that when you recycle your bottles or cans you can use our **Scheme ID (ID C10291312)** and we receive 10 cents for each bottle or container??

Yes, that's right! You can help save the environment and help our P&F raise funds for the school at the same time!

You are welcome to drop your containers to school in the labelled bin near the office or you can drop your containers in recyclable bags straight to the Southern Cross drop of location at 46 Achernar Street, but remember to label the bags with our **Scheme ID (ID C10291312)**.

### Reflection

*Always Was, Always will Be.*

The 2020 National NAIDOC Week theme has been developed to shine a focus on the length of Aboriginal and Torres Strait Islander occupation of Australia.

In our narratives Aboriginal people talk of continuous occupation of being here when time began, we are part of the Dreaming – past, present and future. Anthropologists and archaeologists have dated our sites to being hundreds of thousands years old, in fact recording some of these sites as being the oldest on this planet.

Additionally, the NAIDOC theme seeks to get us to explore and learn about, and appreciate the wealth and breadth of Indigenous Nations, languages and knowledges of this continent. Exploring and learning about Indigenous understandings of the environment, plants, animals, greater astronomy and cosmology, waters, land use and protection, Indigenous sciences and maths.

### Prayer of the Week

God of all creation,  
as we journey together in this Great Southern Land,

We pray for healing, forgiveness, and unity,  
Creating a path of good will, with justice and compassion.

Jesus, through the power of your love,  
You have given us the courage, wisdom, and strength  
To share our gifts and talents in humility.

In peace and understanding we reconcile with each other.

Creator Spirit, we come together in prayer and thanksgiving

For the many blessings we have received.

Allow your Spirit to wash over us and give us strength to walk together as one

Amen
