Miss Coles (Early Years)

In the Early Years Classroom, we have been focusing on our students' sense of 'belonging' and their place in the world. We have been discussing the difference between family and the community and role playing these characters in our home corner. The students have shown a lot of interest in this topic especially the fire and police station small world. This has allowed us to have wonderful conversations about what emergency services do and the types of transport they use. The nature play ground is also proving popular as the students cook and create in the mud kitchen, bathe the babies, use the tools to fix the playground and wizz down the slides. We are looking forward to what the rest of the term has to offer.
