Science & HASS
(Mrs O'Malley)

This term in Science, K/PP will be learning about 'The Weather.' They will be learning different clothing we wear depending on the weather, and the different activities we do in each season.

Years 1/2 will be learning about Space, specifically about how day and night occur. They will be making paper mache suns, moons and earths.

Years 3-5 will be learning about Earthquakes, including tectonic plates, seismographs and the Richter scale.
