Mrs McGoldrick (Year 3-6)

Harmony Day

Harmony Day is a celebration of Australia's cultural diversity and is a day of cultural respect for all people who live in Australia. Harmony Day is held on the 21st of March every year and portrays the message of 'Everyone Belongs'. This year to celebrate Harmony Day, the Year 3-6 class made pizza pockets for lunch; learnt how to say hello and say our name in different languages; played games from other countries; and we each decorated a person to reflect our heritage. We also worked together to create an image of the world. The students had a fun day experiencing several different cultures. This is what the Year Five and Six students believe Harmony Day is and what their favourite activity was:

"I believe that Harmony Day is about peace and learning about other cultures. My favourite activity was the Find Someone Who game where we asked people different questions like who can say hello in five different languages." Nkosi

"I feel Harmony Day is a day where we celebrate each other's differences. My favourite activity was making the pizza pockets for lunch." Roshani

"I think Harmony Day is a day where all the people gather together and eat food from different cultures. The activity I enjoyed was decorating the people with pictures from our background." Sienna

"Harmony Day is special as you learn about all the different cultures of the world. My favourite activity was making the pizza pockets for lunch." Joeross

"Harmony Day is learning about all the different cultures of the world. An activity I liked was decorating the person with pictures that reflect my heritage." Gemma
