

Upper Primary - Years 3-5

(Mr Harding)

This term in Years 3-5 for Religious studies, we have been preparing for our new roles as 'the big kids' by looking at what makes a good leader and a good role model.

While we have yet to find our feet, we are each trying our best to build our own unique style of leadership. More recently we have been exploring how we can grow to set a good example for our younger peers by looking at the traits and characteristics of some of our role models.

This is some of the work we have done to help us find our own path to becoming a leader and a better person, and hopefully you will all be able to see our progress in the school.
