## Dear Parents and Guardians,

Welcome to Week 9. The school holidays are just around the corner but we still have a lot happening around the school.

On Monday students will be attending Mass to celebrate the end of the term and the Feast of St Matthew. Parents are more than welcome to join us.

Next Thursday we will be having our end of term Assembly at 2.30. Due to social distancing requirements, we will be holding the assembly on the basketball court. We hope to see you all there as the children have been practicing their items for a little while now and can't wait to perform for you.

This Sunday, Angelo Guerini will be celebrating the Sacrament of Communion as part of the parish at a special Mass at 5.30. We wish Angelo all the best in receiving this important Sacrament. Our Year Three students will be receiving the Sacrament of Reconciliation early next term. Please keep all of these students in your prayers over the coming weeks.

Our P&F would love your support for the Cash for Containers scheme. It is as simple as collecting all of your eligible containers and dropping them off either in the marked bin at school or at the Southern Cross drop off point. For each container, the P&F will raise 10 cents for our students. Further details can be found in the newsletter.

Good luck to the St Joseph's students and all of the other Young Entertainers who will be performing 'Prince Ugly' on Saturday 19th September at 7pm at the CRC. Our students will have a sneak peak tomorrow afternoon for the dress rehearsal.

As this is our last newsletter for Term 3, I would like to take this opportunity to wish everyone a restful and safe school holidays. Term 4 begins for staff on Monday 12th and for students on Tuesday 13th October. I look forward to seeing all the students in their summer uniform.

Enjoy the rest of the term (and go Bombers)!.

## Ms Fernando (Year 1-2)

### Year 1 / 2 News

Term three has been such a busy term. We have worked hard on so many new concepts this term. Our favourite being procedure writing in English because we got to make cupcakes and decorate biscuits. We also spent time writing about how fabulous our Dad's are as well as continue working on our reading and writing. Mathematics has been such fun this term as we worked on measurements, fractions, division, and multiplication. Lots of hands on experiences and games. We are starting our times table challenge on a Friday which the children are all excited about. In Religion we have been working on prayer and how to be respectful to others. Camp was another big highlight of the term. We got to experience lots of new activities while away. Thank you, Mrs McGoldrick.

## Cybersafety Hints

Cybersafety has been in the news a little over the last few weeks. There are two great resources that parents can access if they would like any further support.

The first resource is the eSafety Commissioner which gives advice on some of the big issues relating to online safety and provides some great advice.  
<https://www.esafety.gov.au/parents>

The second is the Beacon app which has been jointly formulated by the Telathon Kids Institute and provides parents and carers with the knowledge, skills and support to help their children thrive in a digital world.

### Reflection

*International Day of Peace*

The International Day of Peace ("Peace Day") is observed around the world each year on 21 September. Established in 1981 by unanimous United Nations resolution, Peace Day provides a globally shared date for all humanity to commit to Peace above all differences and to contribute to building a

### Prayer of the Week

God of love,  
 We pray for peace in our world, and an end to war.  
 Instead of hatred, let there be love. Shelter your children and protect us. Guide us and keep us from harm, so we can build a world of love and live our lives in peace.  
 Amen
