TEACHER (PRIMARY) Full-Time, Ongoing Applications Close: 24th November 2021

Position details:

St Joseph's Primary School, Southern Cross, has an exciting teaching opportunity for 2022 (and beyond). We are seeking a full time Primary teacher to join our dedicated and friendly team. Ideally the applicant would be able to teach in a middle/upper primary classroom, but there may be some flexibility depending on the applicant. 2021 Graduates are welcome and encouraged to apply.

Our vision for St Joseph's is to create a welcoming Catholic community where all our students will come to grow in their relationship with Jesus Christ and reach their full potential in a supportive and engaging environment. We are situated 370km east of Perth, at the edge of the Wheatbelt region and is easily accessible by car or the daily Prospector train.

We have high expectations and strive for excellence in education, believing all students have great potential, to be developed in a positive environment, underpinned by encouragement and respect. The school offers modern and well-maintained facilities in a well-resourced and progressive learning environment. The vibrant and dedicated staff are committed to implementing whole-school approaches to both Literacy and Numeracy, whilst embedding Information and Communication Technology across the curriculum through our 1:1 iPad program.

Our early career teachers are supported by designated mentors, as well as the CEWA Early Career Teacher programme. The Graduate Incentive Scholarship, staff housing and the CEWA remote area assistance are also available. Teacher housing is available and costs involved in moving to Southern Cross are supported.

To apply, please forward your CV, as well as a cover letter addressing the selection criteria below, to the principal. If you graduated from university in the last 3 years or about to graduate, please also include your university transcript. If you have any questions or wish to chat about living in our lovely community, please do not hesitate to contact us.

Selection Criteria:

- Commitment to the objectives and ethos of Catholic Education.
- Commitment to working as a member of a team, building a Catholic school community and a willingness to engage with parents, wider community and parish.
- Strong pedagogical skills with a flexible collaborative, student-centred approach.
- High expectations about children's ability to learn.
- Demonstrate a high level of skills in digital technologies and a commitment to use them as an integral part of the learning environment.
- Demonstrate application of data driven teaching and learning.
- Demonstrate differentiated instruction of the curriculum within a classroom.
- High level of interpersonal and communication skills (written and verbal).
- A willingness to be part of whole school initiatives.

Qualifications Required:

- A relevant four-year tertiary qualification (If you are graduating at the end of 2021, you are welcome to apply)
- Accreditation to Teach Religious Education/Teach in a catholic school is encouraged or commitment to commence)
- Be supportive of the ethos and objectives of Catholic Education
